

Sustainability Promise

a **Business Class** venue

telford
internationalcentre

For the world we all want to live in

We endeavour to offer a sustainable venue and services, politely asking for patience as we undertake improvements, as our plans are realistic and reflect priority, affordability and legislation.

**100% disposable
packaging**

**No single use
plastics**

**Local charity partnership
for food waste**

**On-site
EV chargers**

**LED
lighting**

**Improved insulation
in all 3 halls**

**Recycling waste
into biofuel**

**No rubbish
to landfill**

**From 2025, electricity
supply will be green and
100% renewable**

**Smarter Business
Recycling from 2025**

**Local food and beverage
supplier miles from 6 to 50**

**Water-saving toilets
and on-demand sink taps**
